CONFERENCE
& EXHIBITION

2-5 JUNE VIENNA, AUSTRIA

MESSE WIEN EXHIBITION & CONGRESS CENTER

CONNECTING PEOPLE. ADVANCING SCIENCE.

The SLAS Europe 2020 Conference and Exhibition provides a unique combination of scientific education, access to innovative technologies and peer networking, delivering unmatched value for life sciences researchers, laboratory automation and innovation providers, and students looking to discover the latest technologies and how they can be applied to transform research.

Innovation AveNEW

SLAS Innovation AveNEW is a specially designated area within the exhibition designated for start-up and emerging companies. Apply today and if chosen for Innovation AveNEW, your company is given the opportunity to exhibit its products and services at SLAS Europe 2020 without paying ANY exhibition fees or travel costs. All Innovation AveNEW companies may also compete for the Ignite Award and a **€5,000** prize.

Application Deadline **2 March 2020**.
Get the details at SLASEurope2020.org/innovation-avenew-for-startups/

SLAS Ignite Award

The SLAS Ignite Award recognises the best start-up or emerging company exhibiting within Innovation AveNEW. Applicants based on a combination of key concepts, for example the company's marketing plan, funding prospects and plan for growth. These, along with brief presentations, will be judged by an SLAS panel prior to and on site at the conference.
