

# CONNECTING PEOPLE. ADVANCING SCIENCE.

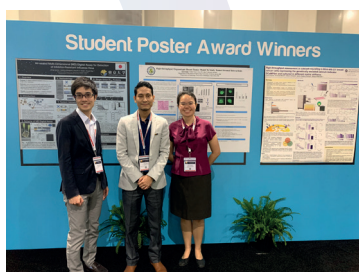

The SLAS Europe 2020 Conference and Exhibition provides a unique combination of scientific education, access to innovative technologies and peer networking, delivering unmatched value for life sciences researchers, laboratory automation and innovation providers, and students looking to discover the latest technologies and how they can be applied to transform research.

## Call for Poster Abstracts

SLAS invites research scientists from academia, industry and government labs and innovation providers to submit poster abstracts for presentation at the conference. Poster presentations are integrated into the Exhibition floor for broad access and exposure. Up to three Student Poster Awards will be bestowed for the best research presented on site.

Poster abstract submissions due **27 April 2020**. Learn more at [SLASEurope2020.org/call-for-abstracts](http://SLASEurope2020.org/call-for-abstracts)

Student Poster Award abstract submissions due **6 April 2020**.

## Tony B. Academic Travel Award details of covered expenses:
